DRAFT FCC LETTER

FCC
Office of Engineering and Technology

Re: Authorized Individual

Dear Office of Engineering and Technology,

This letter is inform you that Rich Miller, Director of Systems Engineering at MRC is hereby designated an Authorized Individual to sign Form 731 and to sign attestations required for the application, to submit the Attestation Statements exhibit folder; and to request confidentiality.

Please note that my responsibilities have changed from President of Microwave Radio Communications, MRC, to Chief Operating Officer, Vislink US Operations. In my new role, MRC is a key company within the Vislink US Operations. Morgan Kurk has assumed the position of President, MRC. A second letter will be sent this date to request that Morgan Kurk replace me on your data base, as the President of MRC.

Sincerely,

Anthony Finizio
Chief Operating Officer
US Operations Vislink
