Request for Tech. Info.: 02/10/99

Dear Frank / Kwok:

Submitted herewith, on behalf of LG Information & Communications Ltd., is an amendment in response to your request dated 02/10/99 for additional information regarding the subject application.

1. Please find attached the revised Exhibit 11, showing correct applicant name and FCC ID on the figure captions.
2. The applicant, LGIC, confirms that the power ratings listed in Exhibit 12 are conducted power output ratings. Furthermore, the applicant confirms their request for 600mW ERP for AMPS mode, and 320mW ERP for CDMA mode to be listed on the grant, and acknowledges that the listed power ratings on the grant are the absolute maximum power ratings. Please find attached the revised Exhibit 12 power rating information page.

We trust this amendment is sufficient to issue the grant as soon as possible. Should you have any further questions, please do not hesitate to contact us. Thank you.
