Re: IKEA of Sweden AB
FCC ID: FHO-E2004
FCC Part 15C Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. **IKEA of Sweden AB** requests that the following documents regarding this submission for FCC ID: FHO-E2004 be kept confidential:

Exhibit Type

Block Diagram
Schematics
Theory of Operation
Part list
Software security statement (5GHz only)
Antenna specifications

Those documents contain detailed system and equipment description and related information about the product which IKEA of Sweden AB considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, IKEA of Sweden AB considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,
