编号原则:																																																			
序列号: 																																																			

生产流水号																																																			
月(10月, 11月, 12月, 分别用字母A,B,C代替)																																																			
年																																																			
CMII ID: *****																																																			
SRRC证书编码																																																			
备注:																																																			
1. 材质为80g铜版纸+背胶																																																			
2. 白底黑字, 要求无铅																																																			
3. 条码码制: Code 128码
