

FCC ID LOCATION

9D0401

FCC ID : FQISIS6326

A close-up photograph of a yellow printed circuit board (PCB) from an electronic device. The board is populated with various components, including a large black multi-pin connector, several integrated circuits, resistors, and capacitors. A white label with the text "FCC ID : FQISIS6326" is affixed to the board. The background of the image shows a white surface with the large black text "9D0401".
