

THE AMAZING SPIDER-MAN

WALKIE TALKIE COMMUNICATORS

BATTERY INSTALLATION INSTRUCTIONS

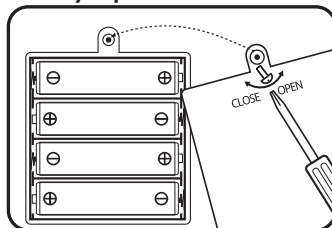

Each Walkie Talkie requires 4 x "AAA" (R03) Batteries (Not Included)

ADULT INSTALLATION REQUIRED

If performance diminishes after purchase, replace with fresh batteries.

1. Locate battery compartment.
2. Using a Phillips Head screwdriver, remove the screw and the battery door.
3. Install new batteries.
4. Replace the battery cover and the screw.

Battery replacement

HOW TO OPERATE YOUR WALKIE TALKIE

1. Open battery cover and snap in 4 x AAA batteries (not included)
2. Turn the "ON/OFF" switch to "ON" position. Your transceiver is now ready to operate.
3. Press the "PUSH-TO-TALK" switch for transmitting.
4. Release the "PUSH-TO-TALK" switch for receiving.
5. When transmitting, speak clearly in a normal voice, holding the set about 3 inches from your mouth.
6. Best transmission and reception are obtained when the antenna is held in a vertical position.

BATTERY SAFETY INFORMATION

⚠ WARNING! Battery acid leakage can cause personal injury and cause damage to the product and surrounding property. If battery leakage occurs, thoroughly wash any affected skin, making sure to keep battery acid away from eyes, ears, nose and mouth. Immediately wash any clothing or other surface that comes in contact with leaked battery acid. Leaking batteries may make "popping" sounds. Dispose According to Local, State or Federal Laws.

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the toy before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Different types of batteries or new and used batteries are not to be mixed.
- Batteries are to be inserted with correct polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.

This device complies with part 15 of the FCC rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

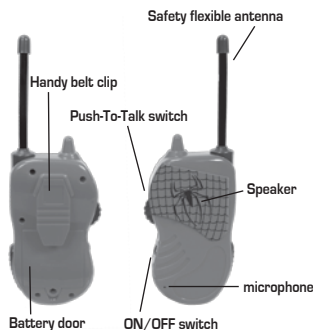

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.
