Re: Combinations of Radio Part Numbers Covered in the RT7000:

To Whom It May Concern:

This letter serves to define that the single FCC ID (FCC ID: FRWRT7000) number will include all part number combinations identified below in the table. In the table below there are 28 optional combinations.

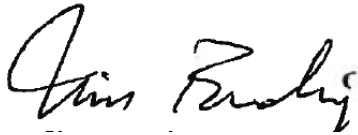

Table 1 – FCC ID defining possible part number combinations

| <b>FCC ID (FRWRT7000)</b>           |                                                            |
