**RE: CONFIDENTIALITY REQUEST FOR MOL81 FCC ID G8630RMOL81**

To Whom It May Concern:

Pursuant to Section 0.459(b) of the Commission's Rules, 47 CFR § 0.459(b), the following information is provided in support of the request for long term confidential treatment of the Internal Photographs exhibit.

The information contained in the Internal Photos exhibit is restricted from disclosure to non-consumers. The MOL81 circuit is completely enclosed in polyurethane. The polyurethane has the purpose of tuning two different coils to there exact operational frequency and protecting the circuits for operation in extreme environments. Any attempt to remove the polyurethane will irreverasabliy damage the MOL81. Any breach of the enclosure invalidates the products operational description.

Please contact me if there is any information you may need.

Sincerely,

Joseph G. Tomashik
