Re: Technicolor USA, Inc.  
FCC ID: G95-TVA201  
FCC Part 15B Certification  
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Technicolor USA, Inc. requests that the following documents regarding this submission for FCC ID: G95-TVA201 be kept confidential:

<b>Exhibit Type</b>	<b>File Name</b>
Block Diagram	G95-TVA201_Block Diagram.pdf

Those documents contain detailed system and equipment description and related information about the product which Technicolor USA, Inc. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Technicolor USA, Inc. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
