Confidentiality Request

FCC ID: G95FG180NA

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules, Vantiva hereby requests the Commission to withhold the following documents from public disclosure indefinitely:

- Schematic Diagram
- Block Diagram
- Part List
- Operational Description
- Tune-up Procedure

The above-mentioned documents which contain detailed system and equipment description are considered as proprietary information in the operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give our competitor an unfair advantage in the market.

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we are requesting the Commission to withhold the following documents for **180 days** after the grant of equipment authorization is issued:

- External Photos
- Internal Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format cannot be granted as confidential documents, and that information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

Signed by:
