Attention: Mr. Sid Sanders

Subject: FCC Part 15 Class "II" Permissive Change Filing for
ATLINKS USA, Inc. - Model H5400XXX-A
Marstech Report No. 25038D

Reference: FCC ID: G9H-H5400A

Gentlemen:

We are herewith submitting a Part 15 Class "II" Permissive Change filing for ATLINKS USA, Inc. for their Model H5400XXX-A [where "XXX" is any letter or number which represents trade name, colour and packaging for marketing purposes], for Part 15 certification, to cover alternate construction which consists of the following:

1. Handset and Base RF module change
2. Base RF module antenna change
3. Component/circuit/pcb layout changes on handset and charger

In view of the above, all applicable tests in compliance with FCC Part 15 Rules have been completed on handset/charger and separate RF module Model H5400XXX-A with four-line corded speakerphone Model 25415XXX-A with satisfactory results as shown in the enclosed report.

Please review this project at your earliest convenience and please do not hesitate to call us should any problem arise.

Yours very truly,

MARSTECH LIMITED
