Question #1: Based upon FCC 15.214(d)(3), a statement of the means and procedures used to achieve the required protection shall be provided in any application for equipment authorization of a cordless telephone. Please provide an attestation statement.

Question #2: Please submit user manual. Please make sure it contains user information as specified in FCC15.21.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted.
