Dear Mr. Leimer:

We have reviewed the Type Acceptance Certification request from Honeywell International Inc. of the Inmarsat Aircraft Telecommunications System HS-600, Single Carrier Transmitting System, with Federal Communications Commission ID number GB8HS-600. The technical data for this equipment is consistent with the spectrum requirements of the RTCA Document No. RTCA/DO-210D. We have no objection to the certification of this device.

If you require any additional information, please contact Ms. Margarette Ebate, Spectrum Planning and International Division, at (202) 493-5195.

Sincerely,

A handwritten signature in black ink, appearing to read "DK Willis".
