Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

Dear Mr. Leimer:

We have reviewed the request from Honeywell Corporation, Aerospace Electronic Systems for Federal Communications Commission (FCC) Type Certification of the SD-700 Satellite Data Unit. Our Office has reviewed the technical data for this unit and the equipment's performance is consistent with current spectrum requirements. We have no objection to the certification of this device.

If you require any additional information, please contact Mr. Donald Willis, Manager, Spectrum Planning and International Division, at (202) 267-9715.

Sincerely,

A handwritten signature in black ink, appearing to read "George K. Sakai". The signature is fluid and cursive, with the name clearly legible.
