To Whom It May Concern:

Please accept this letter as clarification that DataCard Corporation does business under the assumed name of Datacard Group.

DataCard Corporation is a private corporation organized under the law of Delaware since March 11, 1969.

As a marketing strategy, DataCard Corporation began using the assumed name "Datacard Group" to refer to its family of companies. The logo (DatacardGroup as seen on this letterhead) was designed and is used extensively on the corporation's products and literature, including but not limited to, invoices, letterhead, marketing collateral, and its Web site. Datacard Group is the assumed name under which DataCard Corporation does business.

I trust this explanation is sufficient confirmation that DataCard Corporation is doing business as Datacard Group. However, if there continues to be a specific concern, I invite you to send your written concern to my attention.

Regards,

Kathy Kingen
