McLean, VA 22101
Attn: Mr. William H. Graff

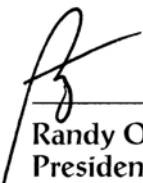

SUBJECT: Nokia Mobile Phones, Inc.
FCC ID: GMLNHP-2FX
Request for Tech. Info.: 03/15/02

Dear William:

Transmitted herewith, on behalf of **Nokia Mobile Phones, Inc.** is an amendment provided in response to the request for technical information dated March 15, 2002.

1. Please find the attached EMC test report in response to questions 1, 2, and 6.
2. In response to questions 3, yes, the transmitter was allowed to sit in a "power off" configuration during stabilization at each 10-degree temperature increment.
3. In response to question 5, yes, the forward and reflected power was taken into account during the EIRP substitution test of section 5.2 of the test report.

We trust this information is sufficient for the immediate grant of this application. If you have any further questions, please do not hesitate to contact us.
