

External Photos of EUT

A white two-prong electrical plug is shown against a blue background. The plug has two gold-colored prongs. On the front face of the plug, the text "TINGSHEN" is embossed in a large font, with "TS 22" and a small circular logo below it. A white cable is attached to the back of the plug. The cable has two white wires visible, each with "UL" and "CMT" printed on it.
