

TruSens

Z-3500

WELCOME TO CLEANER AIR.

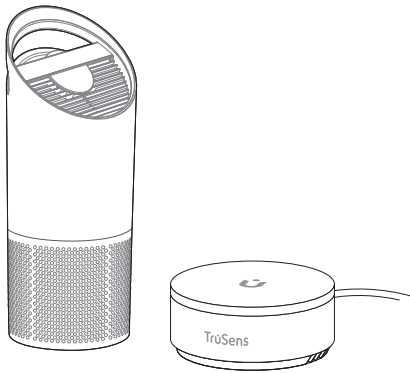

SensorPod™, PureDirect™ Technology, and HEPA Filtration ensure that the whole room benefits from cleaner air. You're always in control with Alexa device voice commands and the TruSens App remote functions.

EN

IMPORTANT: Before operation, follow these steps and read our **TruSens Owner's Manual** at www.trusens.com/support/owners-manuals.

Included in your box

- 1 Air Purifier + Power Cord
- 1 SensorPod + Power Cord

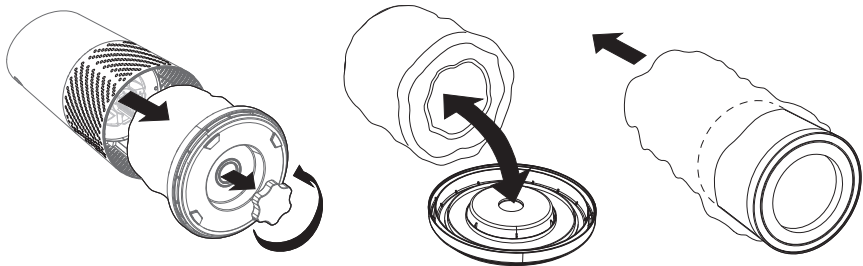

Download the TruSens app and follow the instructions to connect a smart device to your purifier.

Directions for use

1) Remove plastic bag from filter

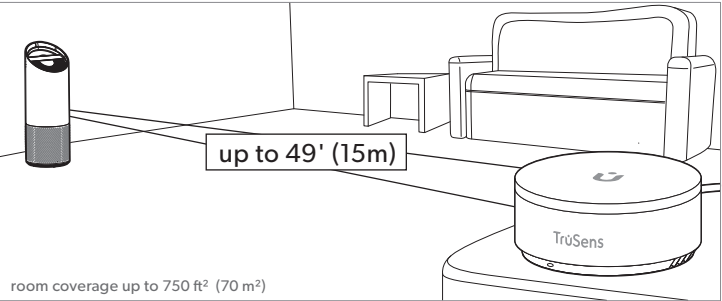

Unscrew knob, loosen bottom cover, and remove plastic bag from filter.

2) Re-attach filter

Secure filter on bottom cover, slide both into purifier, and reattach knob.

3) Set up

Plug in your air purifier unit and power on.

Plug in your SensorPod-M.

For optimal results, place SensorPod-M on tabletop or counter across the room, within sight of the purifier.

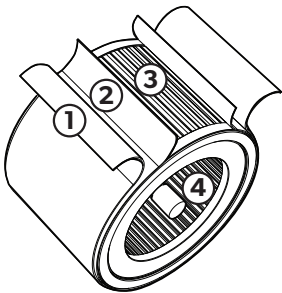

Signal strength may vary by location.

Download the TruSens app and follow the instructions to connect a smart device to your purifier.
