Explanation of checked confidential box for functional description exhibit.

Dear Diane Poole

We have checked the confidential box for the Functional description Exhibit. The intension was to ensure, that the technical documents may not be freely visible by competitors or unauthorized people.

We may have misinterpreted the meaning of this confidential indication. If, for the further treatment of this application, this is a problem, then you have our authorization to uncheck the confidential box. It is not critical to us.

Thank you and have a nice day.

Kind regards

Marcel Kilchherr

A handwritten signature in black ink, appearing to read "M. Kilchherr", with a stylized flourish at the end.
