

**FIMI s.r.l.**

Via Saul Bassi, 1 - 21047 Saronno, Italy

**DECLARATION****N° FI/D6MFL022****Subject: FCC ID: GMZ802120**

We FIMI S.r.L. herewith declare that the following additional changes have been tested according to CFR FCC 47 part 15 subpart B:

1 – SMPS manufactured by Touch Electronics: mod. n° A3-60S17R-W  
2 – CRADLE manufactured by FIMI S.r.L.: mod. n° CMPD12-CR

The device mentioned at the Item 1, is an external AC - DC adapter that has been designed for ITE environment. It provides the voltage (19 Vdc) for the Web PAD and Cradle.

The device mentioned at the item 2, is a docking station (Cradle) that adds the following capabilities to the Web PAD device mentioned in the subject:

- Battery charging function
- 3 x USB 2.0 compliant ports
- 1 x 10/100 Base – T-LAN port

The system configuration, designed for ITE environment that includes both Cradle device and Touch Electronics AC – DC adapter, is the following:

- Web Pad plus Cradle plus AC – DC adapter Touch Electronics (ITE adapter).
