

Intertek Testing Services
ETL SEMKO

November 2, 1999

Dear sir / madam,

On October 27, 1999, we sent the electronic file to apply the FCC certification. The FCCID is H3YADYTECH699T. But we found that there has some typing errors on the report page 13 and 14, now we sent two correct pages to you and saved with filename: report1.doc.

Thank you for your kindly attention and help.

Best Regards,

Prudence S. M. Poon
