## **Operation Instructions**

- Switch the power switch on the transmitter and vehicle to the "ON" position
- Select your desired channel ABC located on the transmitter and the underside of the vehicle. This pairs the player with the vehicle. If more than one vehicle is playing in the same frequency band, the other player or players should also select another available channel. A maximum of 3 vehicles can be played with in the same frequency band.

- Press the **LEFT** control lever for **FORWARD**, **TURBO** or **REVERSE**.
- Press the **RIGHT** control lever for **RIGHT** or **LEFT** turns.
- After you have finished playing, switch the power to the "OFF" position

### **Battery Cautions:**

- Read instructions carefully and install the batteries correctly following the correct polarity + / -
- Do not mix old and new batteries
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries
