

DUT Setup for Receiver Spurious Radiated Emissions Tests

**Test Setup for Receiver Spurious Radiated Emissions – 30MHz to 1GHz,
Horizontal Polarization**

**Test Setup for Receiver Spurious Radiated Emissions – 30MHz to 1GHz, Vertical
Polarization**

Test Setup for Receiver Spurious Radiated Emissions – Above 1GHz, Horizontal Polarization

Test Setup for Receiver Spurious Radiated Emissions – Above 1GHz, Vertical Polarization

DUT Setup for Transmitter Spurious Radiated Emissions Tests

**Test Setup for Transmitter Spurious Radiated Emissions – 30MHz to 1GHz,
Horizontal Polarization**

**Test Setup for Transmitter Spurious Radiated Emissions – 30MHz to 1GHz,
Vertical Polarization**

**Test Setup for Transmitter Spurious Radiated Emissions – Above 1GHz,
Horizontal Polarization**

**Test Setup for Transmitter Spurious Radiated Emissions – Above 1GHz, Vertical
Polarization**
