A black handheld electronic device, possibly a remote control or a small tool, is shown vertically. It has a clear window in the middle section revealing internal components, including a battery compartment and various electronic parts. The device has a silver-colored button or dial at the bottom. To the right of the device is a blue cylindrical battery with a white label featuring CE and other markings. A multi-colored cable (red, yellow, green, blue) is attached to the bottom of the battery.
