## Attestation

To Whom It May Concern:

Dolphin 6100 with an integrated WLAN module (**Part # WM-G-MR-09**) channel selection is based upon country code configuration .

Country code configuration is persistent in Firmware . Software used to set country code (Channel 1 to 11 for the US) will not be distributed outside the manufacturing environment.

Sincerelty,

Mandana Salahshour  
Compliance Manager, Mobility Systems
