Re: Description of changes

Applicant: **Hitachi Telecom (USA) Inc**

FCC ID: **HDLUSA-60750-KE-E**

To whom it may concern,

On behalf of the applicant, please find this application for a Class II Permissive Change.

The change in RF path of this product was related only to the duplexer. No change has been made to the electronics of the amplifier.

Testing for the Class II Permissive Change has been selected based on what results might have changed. The test report is provided as part of this application.

Sincerely,
