RE: Section 2.933 Application

To Whom It May Concern:

FCL Tech, Inc. hereby grants permission for a representative of Accton Technology Corp ("Accton") to apply to the FCC for a new equipment authorization pursuant to Section 2.933 of the FCC's rules. This permission applies to the device currently authorized under FCC identification number ("FCC ID") 2AK7S-FBC2001, which was issued to FCL Tech, Inc. on May 18, 2020. The equipment to be authorized under Accton's grantee code is electrically identical, with the only change being the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the equipment for which the new FCC ID is being sought.

FCL Tech, Inc. understands that its FCC ID 2AK7S-FBC2001 will not be affected by this application, and may continue to be used for the marketing of the device when properly labeled with this FCC ID.

Should there be any questions, please feel free to contact the undersigned.

Sincerely,

Christopher Bjornson
FCL Tech, Inc.
