Re: FCC ID: HHMER9W3GSM

To Whom It May Concern:

The following application is submitted on behalf of our client, Braemar Manufacturing, LLC, for evaluation of their model ER920W-GSM for a class II permissive change certification under FCC Part 22H and 24E.

The ER920W-GSM is a HSPA wireless module. The purpose of this class II permissive change is to evaluate this module in a specific portable host.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
