SUBJECT: FCC Application for FCC ID: HLZ-Z09A

To Whom It May Concern:

We are requesting system approval for Acer MA40_HX laptop (FCC ID: HLZ-Z09A), which uses the Atheros module (FCC ID: PPD-AR5B22) and has FCC single modular approval on 02/03/2012. We do not modify the module at all and are submitting the original modular test report to cover all antenna port measurements.

Test reports to cover the evaluation of the system for radiated spurious emissions and RF exposure (SAR) are being submitted to cover these aspects of the technical requirements.

Sincerely yours,

RU Jan
