Model number: _____

Serial number: _____

Date of purchase: _____

Place of purchase: _____

ENVIRONMENT

Temperature:

- Operating: 5 °C to 35 °C
- Storage: -20 °C to 60 °C

Humidity (non-condensing):

- Operating: 20% to 80%
- Storage: 20% to 60%

First things first

We would like to thank you for making this Acer notebook your choice for meeting your mobile computing needs.

Your guides

To help you use your Acer notebook, we have designed a set of guides:

First off, the **Setup Guide** helps you get started with setting up your computer.

The **Quick Guide** introduces you to the basic features and functions of your new computer.

For more on how your computer can help you to be more productive, please refer to the **TravelMate P4 14 / TravelMate Spin P4 14 User's Manual**. The **TravelMate P4 14 / TravelMate Spin P4 14 User's Manual** contains useful information applying to your new computer. It covers basic topics such as using the keyboard and audio, etc.

This guide contains detailed information on such subjects as system utilities, data recovery, expansion options and troubleshooting. In addition it contains warranty information and the general regulations and safety notices for your notebook.

The User's Manual can be downloaded from the Acer support website by going to:
<http://go.acer.com/support>

Software installation

The first time you turn on your computer, it will automatically install software and set up for use. This may take some time, please do not turn off your computer; wait until the installation has finished.

Recovery

You should create recovery backups as soon as you can. The *Acer Recovery Management* program allows you to create recovery backups and then to restore or reinstall applications and drivers provided by Acer.

Having trouble?

Acer provides several options to support your purchase.

Acer support

Make sure you write down your computer serial number, date and place of purchase and model name on the area provided in this guide; save your proof of purchase. Before you call us, please write down any error message that accompanies the

problem, and have the computer in front of you and switched on if possible. Having these items to hand when contacting us will ensure better and quicker service.

Acer website

Remember to visit **www.acer.com** and refer to the support section for up-to-date information, help, drivers and downloads.

Warranty and contact information

You can find information about the warranty for your computer and how to contact technical support in your computer's Warranty.

Your Acer notebook tour

After setting up your computer as illustrated in the Setup Guide, let us show you around your new Acer computer.

Left view

#	Icon	Item	Description
1		DC-in jack	Connects to an AC adapter.
2		Thunderbolt™ 4 port	Connects to the provided USB Type-C power adapter and to USB devices with a USB Type-C connector. Supports Thunderbolt™ 4 and displays.
3		HDMI port	Supports high-definition digital video connections.
4		USB port with power-off charging	Connects to USB devices.

Note: Your notebook is bundled with one of two types of power adapters: an AC power adapter or a USB Type-C power adapter. (Specifications vary depending on configuration.)

USB Type-C information

- Compatible with Thunderbolt™ 4.
- Supports DisplayPort™ audio/video output.
- Delivers up to 3 A at 5 V DC for USB charging.
- DC-in: requires power adapter or power source providing 65 W at 20 V.
For optimal performance, please use a certified Acer power adapter or USB Power Delivery device.

Right view

#	Icon	Item	Description
1		Stylus slot	Insert the stylus into the slot completely to start charging. (Specifications vary depending on model.)
2	SIM	SIM card slot (optional)	Insert a nano SIM card into the slot.
3		Headset/speaker jack	Connects to audio devices (e.g., speakers, headphones) or a headset with microphone.
4		USB port	Connects to USB devices.
5		Ethernet (RJ-45) port	Connects to an Ethernet 10/100/1000-based network.
6		Kensington lock slot	Connects to a Kensington-compatible security lock.

USB 3.2 Gen 1 information

- USB 3.2 Gen 1 compatible ports are blue.
- Compatible with USB 3.2 Gen 1 and earlier devices.
- For optimal performance, use USB 3.2 Gen 1-certified devices.
- Defined by the USB 3.2 Gen 1 specification (SuperSpeed USB).

Front view

#	Icon	Item	Description
