Date: 12/20/2011

To: FCC and Industry Canada,

The intent of this letter is to inform both the FCC and Industry Canada regarding the application for a change of ID and associated Multiple Listing.

The request for Change of ID is based on a new model number and ID number for the products. The products are electrically and mechanically identical to the original filing and the original test results are representative of the new products.

The original FCC ID number was HS9-50052667, originally granted on 8/10/2011.
The original IC Number was: 573R-50052667 having 2 model numbers: 50052667-001 and 50052667-002 issued on 8/10/2011.

The new FCC ID number will be HS9-TL9160AR01 and the new IC number is: 573R-TL9160AR01, having 2 model numbers: TL9160AR1002 and TA7210-AR-00W.

Sincerely,

Alan D. Bredon
