Exhibit D   Hardware description and Block Diagram

Olicom RapidFire 3540 HSTR 100/16/4 PCI Adapter is an adapter for PC's with PCI interface. Below is a block diagram and descriptions of the different blocks.

Bullseye Chip
Hawkeye is an ASIC designed by Olicom. It is a Token-Ring Media Access Controller with PCI interface.

TI380C60
TI380C60 is a Token-Ring 16/4 Mbps PHY

BCM5201
Is a chip for 10/100 Mbps Ethernet PHY that we use for 100Mbps Token-Ring.

Token-Ring Analog Interface.
Contains analog filter/magnetics.
