Gentlemen:

RFM/Cirronet respectfully requests confidentiality of certain materials provided with the submission of models DNT2400PC and DNT2400PP under FCC ID: HSW-DNT2400P in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

Models DNT2400PC and DNT2400PP has been developed at considerable effort and expense by RFM/Cirronet. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,
