Re: FCC ID: HSW2832

To Whom It May Concern:

The following application is submitted on behalf of our client, Murata Electronics North America, for evaluation of their model MBN52832 for single modular approval certification under FCC Part 15.247.

The MBN52832 MBN52832 is a Bluetooth Low Energy module. It enables ultra-low power connectivity for data communication. The product integrates Nordic Bluetooth Low Energy IC, RF front end, and crystal. This is an ideal solution for Internet of Things (IOT) application.

The MBN52832 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Sam Wismer".
