To:
Federal Communications Commission

RE: FCC PCII Certification Request for Zebra embedded radio (I28MD-CXLAN11G)

We are submitting an application for a class II permissive change to the limited modular approval of the **Zebra Embedded b/g Radio** (FCC ID: I28MD-CXLAN11G, Original Grant Date: Jan 4, 2010). The transmitter module itself has not changed.
This permissive change is to include Host Printers model numbers (GX420d, GX420t, GX430t) with new antenna.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles A. Derrow".

Charles A. Derrow
