RE: FCC PCII Certification Request for Zebra embedded radio (I28RFID-CPMFS-01)

We are submitting an application for a class II permissive change to the limited modular approval of the Zebra embedded radio (FCC ID: I28RFID-CPMFS-01, Original Grant Date: Aug 28, 2009). The transmitter module itself has not changed. The purpose of this application is to add ZXP Series 3 printer as host for this radio.

Sincerely,

A handwritten signature in blue ink that reads "Saul Godinez".
