Letter of Attestation

Country Settings

Ref: **I88P2612HNUF1F**

To Whom it may concern:

Section 16.7 of the User Manual refers to The Region Screen. It implies that other countries can be selected, however all devices for the USA market will only have the ability to select USA as region, as such the end-user will not be able to modify or set channels that are not certified in this FCC application or that are not allowed to use in the USA.

Sincerely,

ZyXEL Communications Corporation
