

American Telecommunications Certification Body Inc.
6731 Whittier Ave, McLean, VA 22101

December 19, 2007

RE: Creative Labs Inc..

FCC ID: IBA-MSEF0170R1

I have a few comments on this Application. Depending on your responses, kindly understand there may be additional comments.

1. The test report appears to not follow FCC approved test procedures and did not clearly identify which FCC test procedures were used for FHSS devices. The approved test procedures for FHSS is FCC Public Notice DA 00-705.

Best regards,

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
