Re: Application for Cellular/PCS Transceiver Certification
(Class II Permissive Change)

Application:

Motorola, Inc., Mobile Devices, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286 herein submits items for Class II Permissive Change Certification of Cellular Transceiver, FCC ID: IHDP56JM1.

Description of Changes:

1. A software change is added to correctly implement the HAC mode, which allows T-Coil HAC compatibility.

Note:

This product (FCC ID: IHDT56JM1) will not be marketed or reported to the Wireless Telecommunications Bureau as HAC compliant until after the T-coil rating is approved.

2. The final PCB slightly relocated a few components and vias, and incorporated some second source components. A revised EMC report is submitted to update the 850 MHz radiated spur data. Neither SAR nor HAC degradation is reported due to the hardware changes.

Please contact me by telephone at (847) 523-6167, or by e-mail (A.Bachler@motorola.com), if there are questions or additional information needed concerning this filing.
