Our follow-up response:

1. Thank you for your response. Regarding the 15B test report, please provide the FCC ID of all equipment used in the test set up (laptop pc, router, etc.), or indicate if the equipment was authorized under DoC.

RESPONSE:

The Dell laptop is an Inspiron 700, containing an Intel Pro/Wireless 2200BG WLAN (FCC ID: E2K24GBRL)
All other computer peripheral equipment was authorized as DoC.

Regards,
Andy
