Re: Application for Cellular Transceiver Certification

**Application:**

Motorola Mobility, Inc., Mobile Devices, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286 herein submits items to supersede exhibits for Certification of Cellular Transceiver, FCC ID: IHDT56LF3.

**Reason for Updated Exhibits:**

The product has not changed. An updated report is provided to correct errors in the originally submitted Cellular EMC report (Exhibit 6). The updated report corrects:

- The Spurious Emissions at Antenna Terminals (p13) and the Field Strength of Spurious Emissions (p15)
- A statement on p8 of the original, concerning GSM measurements, was removed.
- The statement on p6 of the test report, concerning equipment calibration cycles, was updated.

Please contact me by telephone at (847) 523-6167, or by e-mail ([A.Bachler@motorola.com](mailto:A.Bachler@motorola.com)), if there are questions or additional information needed concerning this filing.
