

# Meet Your XT2429-1

Before using your phone, please read the legal, safety, and regulatory information provided with your product.

## Put in the card & power on

- 1 Insert the SIM tool into the tray hole to pop out the tray.  
Make sure you use the correct size SIM card and don't cut the SIM card.
- 2 Insert the SIM card with the gold contacts up, then gently push the tray into the slot.

**eSIM option:** Your phone may have an eSIM (embedded SIM card) in addition to the physical SIM card. Contact your service provider for details if you want to activate and use it.

- 3 Press and hold the Power button  to turn on your phone, then follow the prompts to get started.  
To turn off your phone, press the Power and Volume Up buttons  +  at the same time.

\* **Use a headset:** To use a headset, you'll need one with a USB-C connector. If using a 3.5mm headset, you'll need an adapter to connect a 3.5mm connector to USB-C. Headset and adapter may be sold separately.

Scan with your **Camera** app for the video.

## Help & more

Get answers, updates, and info:

- **Help is here:** From the home screen, swipe up and tap **Settings > Help** to learn how to use your phone and get support.
- **Get more:** Get software, user guides, and more at [www.motorola.com/mymotoedge](http://www.motorola.com/mymotoedge).
- **Get apps:** Tap **Play Store** to browse and download apps.
- **Connect with 5G:** 5G service plan and 5G network coverage required; available only in select areas; device not compatible with all 5G networks. Contact your service provider for details.
- **Electrical Requirements:** For electrical requirements, visit: [www.motorola.com/mx/requisitos-electricos](http://www.motorola.com/mx/requisitos-electricos) (refer to the web manual).

**Caution:** Screen protectors may reduce your phone's touchscreen sensitivity. Do not use screen protectors thicker than 0.5 mm.

**Legal information.** This guide provides important legal, safety, and regulatory information that you should read before using your product. For the complete legal information, from the home screen swipe up and tap **Settings > Q**, then type **Legal information**, or visit [www.motorola.com/device-legal](http://www.motorola.com/device-legal).

**Water, splash, and dust resistance.** Water, splash and dust resistance were tested to IP68 standards under controlled laboratory conditions. Withstands immersion in up to 1.5 meters of fresh water for up to 30 minutes. Resistance will decrease as a result of normal wear. Not designed to work while submerged underwater. Do not expose to pressurized water, or liquids other than fresh water. Do not attempt to charge a wet phone. Not waterproof. For more about your phone's water-repellent design and care, swipe up and tap **Settings > Help**.

**Charging and battery safety.** To prevent possible burning and injury, the battery in your phone should only be removed by a Motorola-approved service center or similar skilled personnel.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your phone restarts. Charge your phone using a compatible Motorola charger (may be sold separately). Use of other chargers is not recommended and may impair the charging performance. Don't charge your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). Chargers that do not comply with applicable national standards may be unsafe, with risk of death or injury, and may cause slow charging or product damage. To view applicable standards and to learn more, see the "Legal information" section of this guide, or visit [www.motorola.com/device-legal](http://www.motorola.com/device-legal).

**Warning about high volume usage.** To prevent possible hearing damage, do not listen at high volume levels for long periods. When your headset volume reaches the high volume threshold, a warning shows. Tap **OK** to dismiss it, or wait one to five seconds, then press the Volume Up button to dismiss the alert and enable the volume to continue to be adjusted.

**Disposal & recycling.** For help recycling products and packaging responsibly, visit [www.motorola.com/recycling](http://www.motorola.com/recycling).

**Extreme heat or cold.** Don't use your phone in temperatures below -20°C (-4°F) or above 45°C (113°F). Don't store/transport your phone in temperatures below -20°C (-4°F) or above 60°C (140°F).

**Legal disclaimers.** Features, services and applications are network dependent and may not be available in all areas; additional terms/charges may apply. Product specifications and other information contained in this guide are believed to be accurate at the time of printing or release. Motorola reserves the right to correct or change any information without notice.

**Arbitration.** Your purchase is governed by a binding arbitration clause. For more information and how to opt-out, see the legal guide that came with your phone.

**SAR information (on e-label).** To view specific absorption rate (SAR) values for this phone, from the home screen swipe up and tap **Settings > Q**, then type **Regulatory labels**, from your phone's dialpad, type **\*#07#**, or visit [www.motorola.com/sar](http://www.motorola.com/sar).
