Dear Martin:

This is in regards to your letter dated July 1, 2002 requesting additional information on the above-referenced device.

Please find attached the response from Motorola. Please note that the above-referenced device was sample requested prior to issuance of the grant. We performed retest on EMC and SAR to verify compliance of the product. There were no issues of non-compliance found during our pre-grant testing of the device. Fortunately, the sample is still in our possession so we performed retest on the CDMA 800Mhz band edge and took internal photographs today.

If you have any questions regarding this matter, please do not hesitate to contact me at (410)290-6652 or Andy Bachler at (847)523-6167. Thank you.

Sincerely,

(Signed)
