Dear Tim:

Transmitted herewith, on behalf of **Motorola Inc.** is an amendment provided in response to the request for technical information dated August 11,2005.

1. The manual originally submitted is an early draft. The top of the first page list it as "DRAFT 1(31.3.03)" Please find attached manual.
2. The Dual-Band GSM Development Module is intended for evaluating the g20 module, as well as for developing and testing software applications for it in order to integrate the Motorola g20 cellular engine into an original equipment manufacturer (OEM) wireless host device.
3. Please find attached the final version of the user's manual.
4. The grant has been reissued (on 08/26/2005) with a PCB equipment classification.

We trust this information is sufficient to resolve FCC questions in this application. If you have any further questions, please do not hesitate to contact us.
