1. Test equipment used in the Part 22/24 EMC report, as well as the Part 15C and Part 15B test reports, are listed as being past their cal due dates. Please address.

Response: Testing was started using the equipment whose calibration was due in January, but those pieces of equipment were sent out to update their calibration and replaced with the piece of equipment listed below it in the table. At no time was out of calibrated equipment used in testing.

2. Please submit a copy of the ISO/IEC 17025 Accreditation for the SAR lab used to perform SAR testing on the EUT.

Response: Please see the copy of ISO/IEC 17025 Accreditation for Korean SAR lab submitted on January 31, 2007.
