

Exhibit 1: Identification Label -- Pursuant to 47 CFR 2.925 and 2.1033(c)(11).

1.1 Location

On the rear (back) side of the radio product chassis, beneath the battery (see also Exhibit 3).

1.2 Type

The label will be laser etched into the rear housing of the device.

1.3 Markings (Text)

The FCC label shown is representative of the label that will appear on the radio when in production.

Figure 1.3.1. Representation of FCC Label information.

The above label representation is applicable to the following versions/variants of the device that is the subject of this application:

This information will be permanently etched onto the equipment rear cover as shown below, and in Exhibit 3. Other information may also be present.

Figure 1.3.2. Location of FCC Label (position, orientation, and other information shown may vary).

Please note that this label and its placement complies with the requirement of FCC Rule 47 CFR 2.925(d) that the label be permanently affixed to the product, and be readily visible to the purchaser at the time of purchase.

The product's Market or Trade Name is indelibly printed on the face of the product, as shown in Exhibit 3.
