

## Appendix E. MOD (FCC ID: IHDT56XL1) Antenna Location

Note that for the measurements, "right" and "left" are referenced with respect to viewing from the front, display side of the device. That reference is used also in this exhibit. This is consistent with the measurement report, but contrasts with the reference used in the simulation.

Appendix E. Phone (FCC ID: IHDT56XJ1) Antenna Location

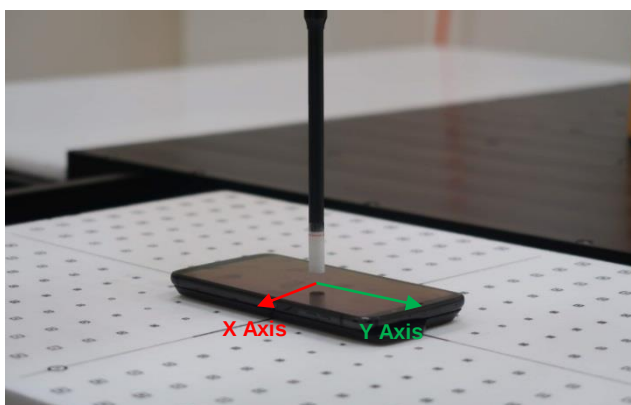

**Appendix E. MOD (FCC ID: IHDT56XL1) with Phone (FCC ID: IHDT56XJ1) Antenna Location**

## Appendix E. Test Setup Photos

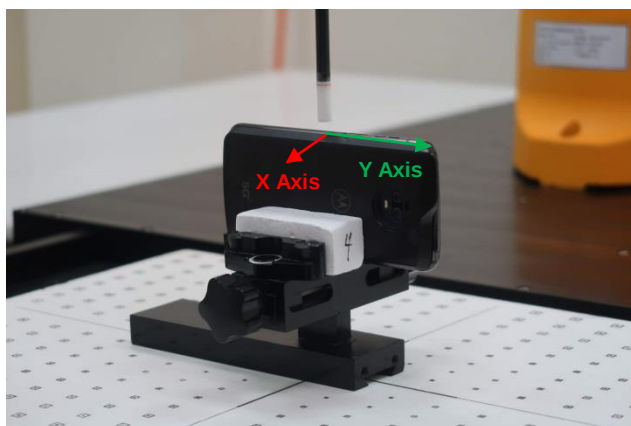

Front, Probe sensor to EUT surface distance 2mm

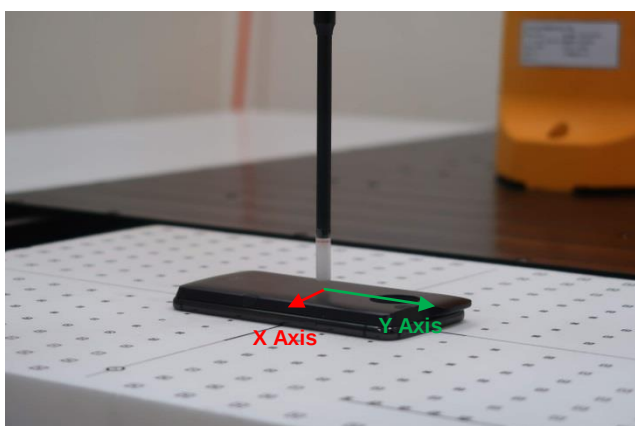

Front, Probe sensor to EUT surface distance 5mm

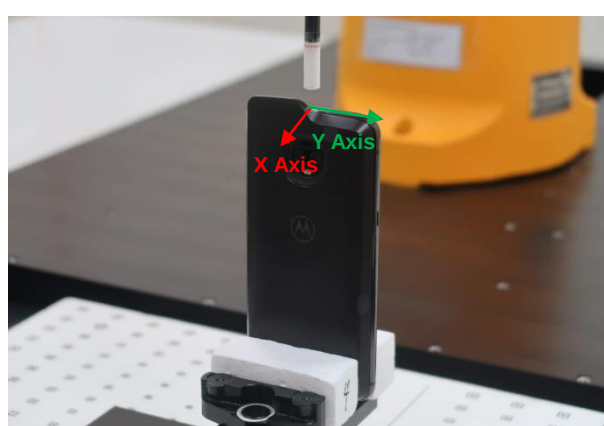

Left Side, Probe sensor to EUT surface distance 5mm

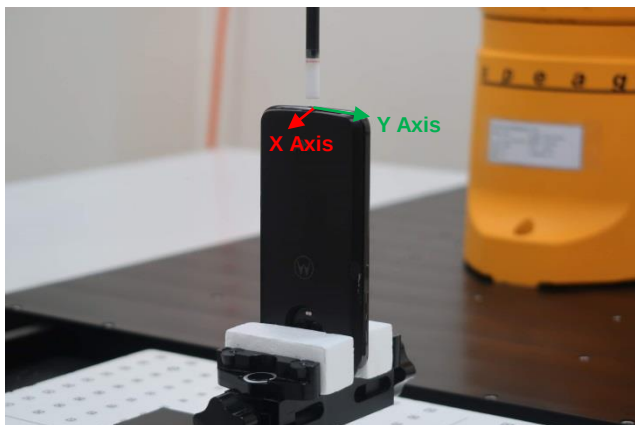

Right Side, Probe sensor to EUT surface distance 5mm

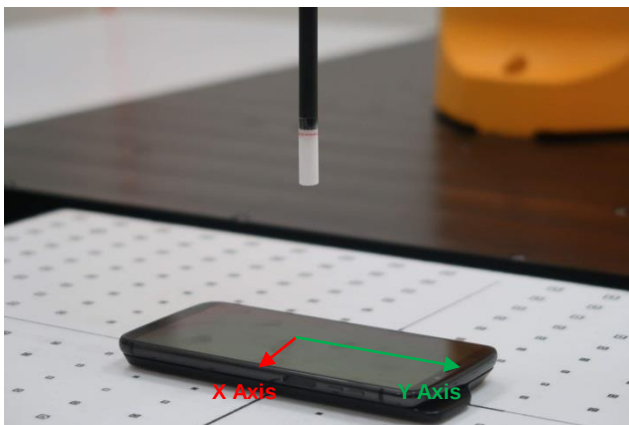

Back, Probe sensor to EUT surface distance 5mm

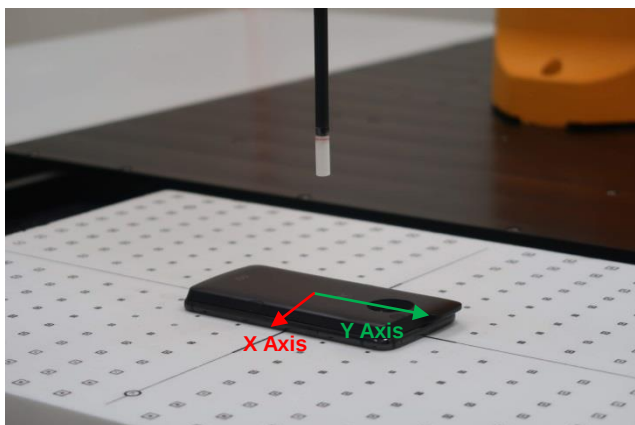

Top Side, Probe sensor to EUT surface distance 5mm

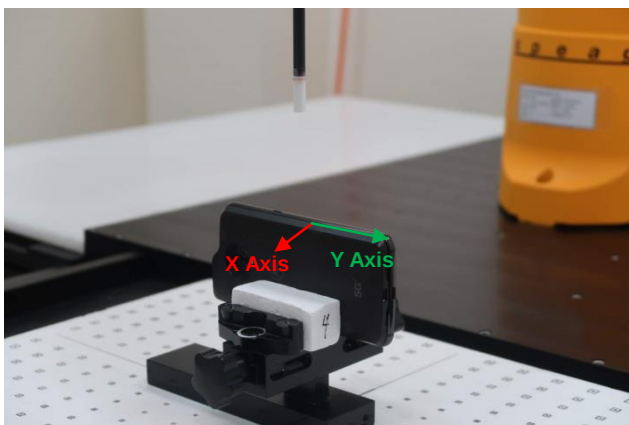

Bottom Side, Probe sensor to EUT surface distance 5mm

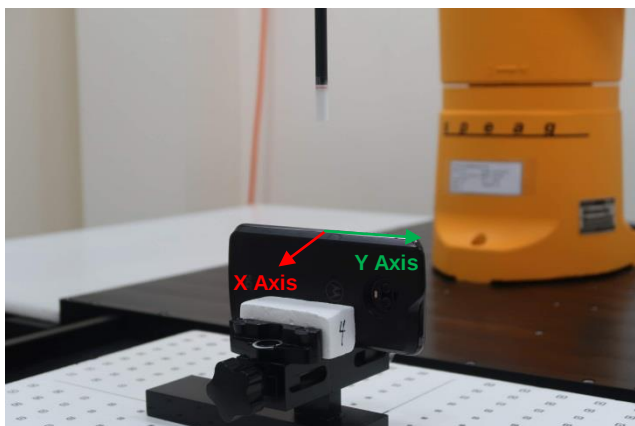

Front, Probe sensor to EUT surface distance 70mm

Back, Probe sensor to EUT surface distance 70mm

Left Side, Probe sensor to EUT surface distance 70mm

Right Side, Probe sensor to EUT surface distance 70mm
