Re: Application for Cellular/PCS Transceiver Certification
(Class II Permissive Change)

Gentlemen:

Application:

Motorola, Inc., Personal Communications Sector, 600 N. U.S. Highway 45, Libertyville, Illinois 60048-1286 herein submits:

- Application for Equipment Authorization (FCC Form 731-October 1992 with integrated Fee Processing Form, Fee Codes EAC),
- application fee in the amount of \$50, and
- SAR Exhibit.

These items are for Class II Permissive Change Certification of Cellular Transceiver, FCC ID: IHDT6BA1. Motorola is the manufacturer of this equipment.

Description of Change:

This class two permissive change does not reflect changes to the basic transceiver. Instead, the class 2 filing responds to an SAR increase when the device is used with a different body worn accessory. An SAR report is submitted which documents the SAR when this accessory is used.

Contact Information:

Please contact me by telephone at (847) 523-6167, or by e-mail (A.Bachler@motorola.com), if there are questions or additional information needed concerning this filing.

Regards,

Andrew J. Bachler
