This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

For best performance, recommend to play outdoor in the distance of 50-100 feet.

Caution: Changes or modification not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Functions:

TO SPEAK:
In (ON) position, press and hold the (PUSH TO TALK) button. Then speak into Walkie Talkie to transmit voice.

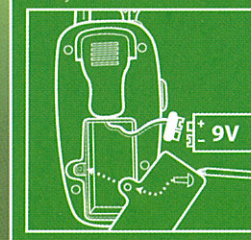

MORSE CODE:
In (ON) position, press and hold (PUSH TO TALK) button.
Then press (MORSE CODE) button to transmit message.

ON/OFF/VOLUME:
Turn counter clockwise for (ON) position.
Turn clockwise to turn (OFF).
In (ON) position, adjust the volume level by turning up.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

BATTERY REPLACEMENT

Replacement of batteries must be done by an adult.

Do not dispose of batteries in fire, batteries may explode or leak.
