RE: CNet Technology

FCC ID: IIO-CWP854

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The sample label should contain "FCC ID: IIO-CWP854". Please update the label.
- 2) 2544 MHz on page 27 actually shows data over the limit. Please explain/review.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
